**United States's Motion for Reduction of Offense
Level for Acceptance of Responsibility**

The United States moves this Court to reduce Arinniyi Omolade Akinyemi's offense level by one level based on Akinyemi's acceptance of responsibility. As grounds for this Motion, the United States notes:

1. On or about October 29, 2007—approximately one month and two weeks prior to trial—Akinyemi pleaded guilty to charges contained in a superseding information in this case.

2. This was sufficiently early to permit the Government to avoid preparing for trial and to allocate its resources efficiently.

3. Therefore, under United States Sentencing Guidelines § 3E1.1(b), the United States makes this formal request for a one-level reduction in Akinyemi's offense level for acceptance of responsibility so that he may receive a total reduction of three levels for acceptance of responsibility.

Respectfully submitted this the 15th day of January, 2008.
